

ACTION STATIONS

> NEW WAYS to SHINE

Breakfast is more than the first meal of the day. It allows students to power through until lunch and maintain focus in their classes and activities. But along with the promise of energy must be the promise of flavor. With a Nestlé Professional® Breakfast Bar, you can prove breakfast is worth waking up for.

> MORNING MOTIVATION

From popular breakfast sandwiches to classic breakfast items, Nestlé Professional products allow you to add unique and flavorful twists that will get students up and moving your way every morning.

Low Country Breakfast Grits made with Chef-Mate® Sausage Gravy and Minor's® Natural Gluten Free Vegetable Base

> MEET the DEMAND

- > **Variety**
Provide an assortment of breakfast recipes
- > **Personalization**
Allows students to create meals that appeal to their unique tastes
- > **Convenience**
Stations are easy to maintain, and keeping menus fresh simply requires changing out ingredients
- > **Vegetarian**
Meatless options can easily be created with the variety of ingredients offered

STATIC CLING

COUNTER CARD

POSTER

> SERVE with STYLE

Rotate themed action station ideas as often as you wish with the help of the provided Nestlé Professional menu calendar. Feature one theme or many. Serve it the way it best serves you.

Attended Display Cooking

Eggs, pancakes and breakfast tacos are cooked to order in front of students to enhance the experience while a variety of breakfast meats, sautéed veggies and more allow students offer the freedom of customization.

> ENERGIZE with FLAVOR

Inspiration is all around you. Nestlé Professional brings it to your campus with a range of action station ideas that represent the ways students prefer to keep energy levels up. Feature morning favorites and a variety of ways to create personalized flavor experiences.
